Chief, FBIS

Registration Title, Cyprus Property

1. The title under which the FBIS Cyprus property should be registered is at present a matter of consideration by the Foreign Buildings Organisation, Department of State.

2. You will be notified when a determination has been made as to whether the FBIS property should be registered under the name of the Government of the United States of America or in the name of a United States governmental agency.

3. You are requested to advise this office upon notification that the American Consul has received procedural instructions from the Colonial Government as to the reregistration of FBIS property in accordance with provisions of the amended Cypriot Corporate Bodies Law and to withhold action if you have not been previously advised by this office as to the proper title for registration.
